DETAILED ACTION

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claim 13 is rejected under 35 U.S.C. 102(b) as being anticipated by European Patent Application Publication No. 0 600 822 A1 to Antero Garcia. Antero Garcia discloses a combination comprising a passenger conveyance and a modular communication fixture installed on board of said passenger conveyance (see Fig. 1 and col. 1, lines 1-13), said modular communication fixture comprising a housing, an information terminal (5) and a communication terminal (17) installed in said housing for use by passengers and personnel, said terminals comprising a control and monitoring section installed in said housing for use only by and accessible only to personnel, and a passenger service section installed in said housing for use and accessible by passengers and personnel. See col. 2, lines 1-50.

Allowable Subject Matter

Claims 1-7 and 9-12 are allowed. The following is an examiner's statement of reasons for allowance: applicant has amended claim 1 to include the allowable subject matter of claim 8. Claims 2-7 and 9-12 depend, either directly or indirectly, from claim 1 and are, therefore, allowed for at least the same reasons. Claim 8 has been canceled.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
